

SD34 DFL  
Central Committee  
October 3, 2017

Note: The chair has allotted time slots to agenda items. The chair will attempt to determine how many people wish to speak to an issue and will alternate speakers pro and con (up to a minute each, if necessary) and/or will rotate opportunities to speak until all have had a chance. If time runs out before the end of the allotted time, the item will be tabled until the end of the agenda.

Members of the Central Committee and the DFL at large in attendance will be asked to raise their hands and be recognized by the chair in order to speak.

Your chair does not wish to be unnecessarily officious; however a less formal approach has led to overly long meetings, getting bogged down in details, and not completing business before the meeting room closes. Your patience as we experiment with more structure is appreciated!
