REPORT OF THE NOMINATIONS COMMITTEE, MARCH 2019

COMMITTEE MEMBERS: Bonnie Westlin, Chair; Andrew Zenk; Alicia Vickerman: Patrick Brown; Deb Browne.

The committee met on February 16, 2019, to review the open positions and develop both general and role specific questions. Open positions in 2019 are: Chair, Associate Chair, Secretary, Treasurer, Deputy Treasurer and Outreach Officer. Notice was also provided for three director vacancies that will be filled at the convention: Finance Director and two At-Large Directors. One additional At-Large director resigned just prior to the convention and without enough time to declare and provide notice of the vacancy. The additional At-Large director vacancy will have to be filled at a meeting of the SD 34 Central Committee. The nominations committee has identified an individual interested in filling this position, but did not screen them.

On March 9 and March 10, 2019, the committee screened candidates for the above-positions and recommends the following slate of candidates to the convention for SD 34 Officers:

CHAIR Nancy Meyerhoff
ASSOCIATE CHAIR Kevin Anderson
SECRETARY Ross Breneman
TREASURER Lee Carlson
DEPUTY TREASURER Kyle Tonn
OUTREACH DIRECTOR Denise Togbah

Additionally, the committee recommends the following individuals to complete the terms of the current Director vacancies. We are currently requesting that At-Large directors identify a particular area of interest that they would like to focus on, in addition to general work of the SD34 Central Committee. Those areas of interest are noted.

FINANCE CHAIR Taylor Winkel
AT-LARGE DIRECTOR Tanwi Prigge (Outreach)
AT-LARGE DIRECTOR Chad Holtmeyer (Strategic Planning)
We were incredibly impressed by this group of candidates and the talents they each bring to those positions. We are confident that they will all make great contributions to the leadership within our Senate District and help us achieve our ultimate goal of electing Democrats at all levels of government.

Thank you to the members of the committee for your time and thoughtful contributions to this process.

Sincerely,
Bonnie S. Westlin
